# Morgan Arboretum

## A Checklist of Birds

Over 170 species of birds have been seen in the Morgan Arboretum at various times of the year. Use this checklist to note the species you see as you walk (or ski) our trails.

We are constantly seeking information about the birds here, where they are and what they are doing - if you would care to share your observations with us, we will be able to keep track of their activities. Please leave your notes at the office on your way out or send an e-mail to [quebirds@sympatico.ca](mailto:quebirds@sympatico.ca)

More information about the birds in the Arboretum can be found on our website at [www.morganarboretum.org](http://www.morganarboretum.org)
